

As we have begun our inquiry into pirates and sharks, I have realized the topic is too broad. So, we have been focusing more on pirates and will learn about sharks and other sea creatures at a later date. For show and share this month, please send something related to pirates, boats, treasures, maps, etc.

Field Visit: 4Cats Art Studio

- Please remember to dress your child in paint clothes for this field visit, as they WILL get covered in splattered paint (including their shoes - so wear old shoes too).
- Drop-off and pick-up your child at the classroom as we are taking a school bus to the studio. We will be going out to the bus at 12:40 (so please be here by 12:30 today) and will return by 2:30.
- As of right now, no one has signed up to accompany us on this field visit. It would be great to have at least one more set of hands, so please sign up if you are able to join us. The current ratio of children to adults will be 6:1.
- Their paint projects will need time to dry at the studio so will not be sent home on the 14th. We would also like to display them in the classroom for one week before sending them home – so please be patient ☺
