Special Helper Days

Your child's name appears on the day they are the 'Special Helper'. This means they will assist in leading calendar time and also will bring a 'Show and Share' item. This month for Show and Share, have your child select one favourite toy to bring in. Please send it to school with the information sheet (found on earlier pages) completed.

* Please do not send toys to school when it is not your child's Special Helper day. Thank you!
