

Sleeping Beauty

Just a reminder there will not be in-class time on Thursday, November 1st.

We are meeting at the Transalta Arts Barns at 9:45 for Sleeping Beauty. The play is approximately 60 minutes, so please be back at 11:00 to pickup your child.

New Faces

Welcome to Tobias, our new student in the morning class.

Welcome to Thérèse, a developmental specialist, who is a new member of our morning teaching staff.

Welcome to Kaliko, our new student in the afternoon class.

Water Bottle Reminder

Please remember to send either a juice box or water bottle with your child daily.

Outdoor Play

The weather is getting chilly and the snow starting to fall. We will still be going outside to play if the temperature is not too cold. Please send your child to school with appropriate winter clothing – snowpants, a warm coat, boots, mittens, and a toque.

If we go outside it will be at the end of the day to limit the amount of time spent getting undressed/dressed.

Puppet Show

During class time on November 7th we will be visiting the HT Coutts Library for a puppet show.

If you have any puppets you would be willing to send to school for us to look at please let me know, as we will be exploring different types of puppets following this performance.
